Warnings:

- Always use leak-proof branded batteries. Substandard batteries can cause functional and performance issues.
- Do not try to open eGlu products. There are no user serviceable parts inside the product. Doing so will also void the product warranty.

One Year Limited Warranty:

WiZN Systems Private Limited ("eGlu") warrants this product (the "Product") against defects in materials and/or workmanship under normal use for a period of ONE (1) YEAR from the date of purchase by the original purchaser ("Warranty Period"). If a defect arises and a valid claim is received within the Warranty Period, then as your sole remedy (and eGlu's sole liability), eGlu will at its option either 1) repair the defect at no charge, using new or refurbished replacement parts, or 2) replace the Product with a new product that is functionally equivalent to the original, in each case within 30 days following receipt of the returned Product. A replacement product or part, assumes the remaining warranty of the original Product. When a Product or part is exchanged, any replacement item becomes your property and the replaced Product or part becomes eGlu's property.

Exclusions:

This warranty does not apply to: a) damage caused by failure to follow instructions relating to the Product's use or the installation of components; b) damage caused by accident, abuse, misuse, transport, neglect, fire, floods, earthquake or other external causes; c) damage caused by service performed by anyone who is not an authorized representative of eGlu; d) accessories used in conjunction with a covered Product; e) a Product or part that has been modified to alter functionality or capability; f) items intended to be periodically replaced by the purchaser during the normal life of the Product, including, without limitation, batteries, bulbs or cables, in each case as determined by eGlu.

Obtaining Service:

To obtain warranty service, visit support.myeglu.com to open a service request. Please be prepared to describe the Product that needs service and the nature of the problem. eGlu support will contact you within two working days to understand your problem and will provide you a Return Material Authorization Number ("RMA Number"). A purchase receipt is required for the service request. The Product must be securely packaged and shipped to the specified address along with the RMA Number and a copy of your purchase receipt. Any claim under this Limited Warranty must be submitted to eGlu before the end of the Warranty Period.

Quick User Guide

eGlu IR Controller

Know your IR Controller

IR Controller allows you to control all your appliances like AC, TV, Set-top Box, DVD Player, Music System etc. which are controlled by their individual IR remotes. Standard remotes can be downloaded from the eGlu APP. You can also create your custom remotes by using the learning feature provided in the IR Controller.

Install your IR Controller

IR Controller comes pre-installed with two AA batteries. Go to the eGlu APP and tap the '+' button to add a device. Choose IR Controller from the list and follow the APP instructions.

IR Controller Specifications

Power Source: 2 AA Alkaline Batteries

Operating Temperature: 0°C to 45°C

Wireless Protocol: WiZN's Glu™

Transmission Distance: up to 20 feet (LOS)

Dimensions: 75 x 64 x 30 mm

Weight: 115 grams
